Re. Petitioner was called to Counselor's Office
and Informa Pauperis was sent to Clerk U.S Court
of Appeals For The ninth Circuit P.O Box 193939 San
Francisco, California 94119-3939,

Dear Court,

Petitioner was called to Counselor's Office
and I didn't know it was regarding Informa Pauperis
and when I got there I put a wrong address, as
soon as Petitioner came back to Cell I found
the right address and alerted the tower Officer
and he called the Counselor and there was no
answer, but he said he will leave a message.

Petitioner will send his copy, and he may be
called into Counselor's Office to fix the error
Petitioner hasn't received his legal work yet
Prison may have destroyed material in retaliation
for writing 602.

Sincerely
Christopher L. Crawford
